Directions for Use

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- This recommendation must be in the possession of the user at the time of pesticide application.
- Follow all applicable directions, restrictions, precautions and maximum rate limits listed on the Criterion 2F Insecticide label.

Basal Bark Application

- For control of hemlock woolly adelgid in Eastern hemlock, spray 0.1 to 0.2 fluid ounces (3 to 6 mL) of Criterion 2F Insecticide per inch of trunk diameter (D.B.H.) as a basal trunk spray.
